*“The decision to go to Romania was the single most important thing I ever did. I met some dedicated people and had some lovely meals in good company I would not have missed that trip for the world. If you are thinking about going.....DO IT!”*

Christine Cook, Denby Dale

Children in Distress is proud of the quality of care and the projects made possible by your generosity. We have always welcomed volunteers to help care for our children and we receive requests to visit projects on a regular basis and welcome the support. Although the interests and privacy of the children in our care is paramount, we still welcome organised visits.

Visits of groups of up to 12 people can be accommodated and our children look forward to meeting new friends, sponsors and supporters. It brings excitement and joy to their lives in the hospices and children’s centres, as well as re-affirming for you the value of our work.

The visits are fully inclusive with national carrier flights (KLM or BA) from an airport near you, as well as all internal transport, bed and breakfast in a beautiful 3 star family run hotel, all meals and refreshments and travel insurance.

Two supporters’ tours are planned for the future 18th – 23rd September 2009 and 1st - 5th April 2010 (Easter week).

Please indicate your interest by completing the form and including and returning it in the pre-paid envelope provided with Vision.

*“I was surprised by the insight gained and how far CID had developed from the early days. Travelling round the country I realised how much need there still was. All in all, a life changing experience.”*
