

## More partnership options

There are lots of other ways to work together with us. Do you have a specific project that you would love to support? Perhaps your business could offer in-kind items to help our work. Or maybe you could support us as an individual through a donation or legacy.

## Our impact

Here are just a few of the many ways that we make a difference:

- In 2025 we filled, packed and distributed 5,000 Christmas shoeboxes across Romania. As well as to the children at Casa Maria, we distributed shoeboxes to over 20 other locations including schools, churches, residential care centres and community projects, bringing joy to those who need it most.
- We fund life-changing support for the children at Casa Maria. This includes operational costs and a wealth of personalised support – over 150 physiotherapy sessions each month, specialist art and animal-assisted therapy sessions, socialisation and leisure activities and independent living skills like cooking lessons and shopping tasks.
- Our UK funded projects have helped over 100 Romanian children connect with their heritage and learn vital skills for life.

## Tax efficient giving

When you donate or support our charity through sponsorship as a business, you can deduct the amount from your total profits when calculating Corporation Tax, reducing your bill.

## Donate today

All donations, whatever the size, make a real difference to the lives of vulnerable children. Thank you for any help you can give.

## We would love to chat

We would love to talk to you about how your support can help transform young lives. Please call Simon or Neile on 01904 460066 or email [adminyork@childrenindistress.org.uk](mailto:adminyork@childrenindistress.org.uk)

Scottish Registered Charity No: SC039383.

# Together, we transform young lives

Your invitation to join us as a Corporate Partner

# Partners with purpose

We'd love to work in partnership with you to transform young lives in Romania and the UK.

We've been making a difference to the lives of children in need for over 35 years. Our charity roots stretch back to 1990 and the desperate Romanian humanitarian crisis where thousands of children lived with illness, disability, poverty and HIV/Aids.

We've evolved over the years in response to changing need in Romania but the heart of what we do remains constant – to improve the lives of vulnerable children wherever our support is most needed. Partnership and working alongside local organisations is absolutely central to what we do.

Today we grant fund Casa Maria in Bucharest, an award-winning home-like environment for children with severe disabilities and complex needs. We've recently extended our impact to the UK. We fund grassroots initiatives (currently in Hull and London) that nurture children's wellbeing and education, build life skills and celebrate heritage and community.

# Together, we can change more lives

As a small charity, our work to transform young lives relies heavily on the kind support and generosity of individuals and the business community. If you are looking to make a social impact and change the lives of hundreds of children, we'd love to talk about how your support will make a difference.

# Let's make an impact

These are just a few of the vital projects that your support could help fund:

- Daily physiotherapy sessions for children with severe disabilities – helping to reduce pain and enhance movement.
- A unique project teaching young children how to cook traditional Romanian recipes and connect them with their roots and heritage.
- CV writing and job interview skills for young Romanian children in the UK, alongside tools to help them manage their mental health and wellbeing.
- A programme enabling children to learn the Romanian language and grow connections with their community

# Partnering with us

We offer three levels of Corporate Partnership, all with different levels of benefits depending on the impact you'd like to make with us and the level of support that's right for you.

Like the people we work with, we treat everyone as individuals and partners. So please chat to us about bespoke packages. Perhaps you would like recognition in our two Yorkshire charity shops or through our regular visits to Romania and partner projects?

## Bronze Partnership £2,500

Perfect for businesses beginning their social impact journey.

### Impact

- Helps support essential education and wellbeing programmes for vulnerable children.

### Partner Benefits

- Recognition on our dedicated corporate partners web page.
